THE SHEAHAN LITERATURE SERVICE

Diamonds, Kimberlites, and Related Geology

April 2014

Highlights

I find the great part of the information I have was acquired by looking up something and finding something else on the way.
Franklin Pierce Adams

Duncan R. Derry award is the highest award bestowed by the Mineral Deposits Division (MDD) of the Geological Association of Canada to the outstanding economic geologist who has made significant contributions to the science of economic geology in Canada. The 2014 winner is **Barbara H. Scott Smith**

Reminder: KIMBERLEY DIAMOND SYMPOSIUM & Trade show Sept. 11, 12, 13 2014
Email events@rca.co.za
Elements has a special issue on garnets
Canadian Journal of Earth Science has a special issue on Wilson Cycle

Guiliani et al. Polymict breccias and kimberlite magmatism IN: Journal of Petrology

Jacob et al. Sampling of diamondiferous gravels … Namdeb IN: Journal of South African Institute of Mining and Metallurgy

Lenaz et al. Chromites inclusions in diamond and mantle rocks IN: Physics and Chemistry of Minerals

Shirey and Shigley Recent advances in understanding the geology of diamonds. Analyzing and genesis. IN: Gems & Gemology

SRK Short Course (PDAC) presentations are listed herewith for awareness * SRK may allow access to the presentations and will notify us accordingly.

30th International Conference on Ore Potential of Alkaline, Kimberlite and Carbonatite Magmatism which be held in Antalya (TURKEY), 29 September - 2 October 2014.
Online registration and abstract submission are now open.
Please visit the conference website http://www.alkaline2014.com for updated information on the conference and to register.

Kind Regards,
Pat Sheahan
